Quick Course = consistent quality

All the Quick Course books are written by the same team of authors, so if you like one, you'll like them all! Detailed tables of contents are available for your review on our web site.

Which edition?

Textbook editions: The Training Edition includes clear explanations of key concepts, step-by-step instructions, and hands-on practice. The Education Edition adds exercises for in-class projects or homework, quizzes, and exams.

CD editions: All include the components of the Education Edition textbooks, plus video clips and step-by-step practice, and tracking of progress and results. The Single-User Edition can be installed on one computer. The Network Edition is installed on a server and can be accessed simultaneously by up to 20 users. The Classroom Edition is installed on a server and is administered by an instructor, who can monitor student progress.

Web editions: All include the components of the Education Edition textbooks, plus the ability to generate a certificate of completion. The Individual version is for a single user. The Instructor version enables a teacher or trainer to enroll up to 20 students in the course.

*At least one Instructor Resource CD is needed to complete supplemental Education Edition exercises.

**If you are paying by purchase order, do not use this form; fax your completed PO to (425) 881-1642.
